National Junior Coach & Performance Manager

Badminton Australia is pleased to announce the appointment of Stuart Rowlands as our National Junior Coach and Performance Manager.

Stuart will occupy this part-time role, based in Adelaide, for the duration of 2019.

Badminton Australia is delighted to have Stuart on board, given the expertise and enthusiasm he has brought to the National Junior Program as an age group coach, selector and committee member over the past 3 years.

Stuart brings a wealth of knowledge in to this newly established role, from his time as a player in the Badminton England National Program, as well as his time as a player, coach and administrator in Australia.

Badminton Australia would like to congratulate Stuart on his appointment and wish him every success in this role.
