

## **Badminton Australia Releases Job Advertisement for CEO Role**

Badminton Australia has today advertised for a Chief Executive Officer to lead our sport into the future. The CEO role is responsible for overseeing all operational aspects of Badminton Australia and to ensure effective delivery of all Badminton Australia activities.

Based at the Badminton Australia office, prospective applicants can expect to lead an Olympic and Commonwealth sport, an organisation responsible for four International tournaments, four National carnivals and engage with 8 member states/territories with more than 15,000 members Australia wide.

The job advertisement has been released today through SportsPeople and closes on Wednesday 2 October 2019.

You can find the application details at the following web page
